VANGUARD
ENGLISH ACADEMY

Your faculty. Your students. A flexible English learning curriculum.

A CEFR-aligned English platform for universities and institutions, offering self-paced study and faculty-led instruction.

CURRICULUM: A1 TO C2

A1	A2	B1	B2	C1	C2
Beginner	Elementary	Intermediate	Upper Intermediate	Advanced	Proficient

Three books: Foundations (A1–A2), Developing Proficiency (B1–B2), Advanced Proficiency (C1–C2). Digital and printable workbooks are planned.

SELF-PACED LEARNING

Students study independently with lessons, AI-assisted conversation practice (planned), and progress tracking.

FACULTY-LED INSTRUCTION

Your own teachers deliver or supervise the curriculum. Your instructors keep their roles, and the platform supports them.

Future assessment pathways. Access to externally administered English proficiency examinations is being explored, subject to future agreements.

Separate teacher training. Vanguard TEFL, a distinct online course for aspiring English teachers, is available separately.

Explore an institutional pilot.

Affordable institutional pricing and pilot arrangements are available for discussion.
